MESSAGE OF THE CHIEF VIGILANCE OFFICER, DoO(C&S)
ON VIGILANCE AWARENESS WEEK- 2024

Dear Officers / Staff / Employees,

As Vigilance Awareness Week 2024 comes to a close, I want to express my heartfelt gratitude to each of you for your enthusiastic participation and commitment to the principles of integrity and transparency in our organization.

This year's theme, "**Culture of Integrity for Nation's Prosperity**," has struck a chord with us all, reminding us of our shared responsibility to promote a corruption-free environment and contribute positively to our nation.

Throughout the week, we engaged in enlightening workshops, insightful seminars, and a variety of activities that enhanced our understanding of the critical role vigilance plays in our professional lives. Your active involvement was key to the success of this initiative.

As we wrap up Vigilance Awareness Week, it's essential to carry forward the lessons and values we've embraced. Let's integrate honesty, integrity, and accountability into our daily operations, both within our organization and beyond. Together, we can continue to foster an environment that prioritizes ethical behaviour and builds a workplace rooted in trust, credibility, and transparency.

I encourage everyone to reflect on the valuable insights gained this week and to actively apply them in both your professional and personal lives. Let's work together to create a workplace that exemplifies the highest ethical standards and serves as a model for others.

Thank you once again for your dedication and active involvement in promoting vigilance. Together, we can continue our journey toward a more ethical future for our organization and make a significant impact on society. Your efforts are crucial in building a legacy of integrity that will benefit not only us but future generations as well.

With best regards,

Pankaj Gupta
Chief Vigilance Officer

Date: 1st November, 2024
