**EOI No.: OFD/Mobile Tower 2021**

**Date: 17/01/2021**

**SUB: EOI FOR INSTALLATION OF MOBILE/TELECOM TOWERS AT OFD, Dehradun**

India Optel Limited, a fully owned Government of India, Enterprise, under Department of Defence Production, Ministry of Defence has been incorporated to achieve self-reliance in the field of Optoelectronics solutions for Armed Forces, and Paramilitary Forces of Ministry of Home Affairs along with other customers.

It comprises of state of the art, three manufacturing units of erstwhile Ordnance Factory Board, with a rich experience in their respective area of businesses,

- Opto-Electronics Factory, Dehradun (OLF) was established on the 4th April 1988 with technical collaboration from erstwhile USSR for production of hi-tech optical and Opto-Electronic instruments for tank T-72 and Infantry Combat Vehicle (ICV) BMP-II also known as SARATH. It is a leading systems integrator with state-of-the-art infrastructure, covering all aspects of mechanical, optical & electronic assemblies. It was created to fulfil the requirements of Indian Armed Forces in the field of complex Opto-Electronic devices and over a period of time it has developed a number of indigenous products and solutions for the Indian Armed Forces.
- Ordnance Factory, Dehradun (OFD) popularly known as OF Dun was conceived in 1941, as a result of the decision to shift the Mathematical Instruments Office, from 15 Wood Street, Kolkata. The aim was to establish a factory that specialized in the production of military optical instruments. OF Dun was formally established during 1943 and is now a leading manufacturer of optical instruments and gears for Infantry Directorate of Indian army and paramilitary forces of MHA. This unit has also significant presence in Airfield Illumination Solutions which is already in use at several airfields.
- Ordnance Factory, Chandigarh (OFCD), was established in 1963 in collaboration with M/s Sumitomo Electric Inc, Japan to cater to the communication needs of India's armed forces. OFCD has a core competency in manufacturing in the areas of communication cables, airfield lighting cables, top grade spring steel wires, cable harnesses for armoured vehicles, and optical devices for armoured vehicles.

This new Entity has been entrusted with a responsibility to give renewed thrust to expand Electro-Optical solutions for "Aatma Nirbhar" Bharat in line with Government of India's vision. In other words **"To become Eye of the Soldier"**.

To provide better and unfaltering mobile telecom network to the residents of Estate and to monetize the land available with OFD, OFD intends to allow the installation of a few mobile/telecom towers on the open land at various specified places of the Estate. Accordingly, sealed Expressions of Interest (herein after referred to as the EOI) are invited on behalf of OFD from the interested parties for installing such mobile/telecom towers in the Estate.

The Mobile/Telecom Towers are presently proposed to be installed at following four places of open land. However, this number and location may subsequently be changed/added/reduced to suit the requirement of the Estate and as per the request of the Telecom Service Providers (TSP):-

#### Acceptance/Non-acceptance of EOIs:

30. The EOIs that do not fulfill any of the above conditions or are incomplete in any respect would be liable to be rejected.
31. The General Manager, OFD reserves the right to accept or reject any or all EOIs without assigning any reasons thereof and the party submitting EOI shall have no right whatsoever to challenge the same.

#### Award and Signing of the Contract:

32. The Factory would provide pieces of open land initially for five years for installation of the towers, however, the same would be provided on License for which the party to whom contract is awarded, shall be liable to pay on monthly basis to OFD the License Fee as per the signed contract or License Agreement. The tenure of agreement can be renewed for next five years based on the satisfactory performance of this contract and need of the OFD. The evaluation committee shall be considering the experience, existing number of installed towers and other information provided in technical bids, to decide the technical qualification of the bids. However, the final award would be based on the rate/amount of License Fee offered by the bidder firm.
- However, every party is required to quote the License Fee in the given format i.e. **Annexure-2** either at the present monthly base rate of license fee i.e. Minimum @ Rs 20000/- per month per site or @Rs 1000/= per sq.mtr. per month per site whichever is higher or at any higher rate, for such pieces of open land for installation of the towers. Such higher rate of license fee, if any, duly quoted by the technically qualified parties would be taken into consideration to decide the award of contract. The license fee will increase @ 8% every contract year from the date of signing of contract.
33. The party, whose EOI is finally accepted, shall be bound to sign a contract agreement within 10 days of the award of contract, failing which the Earnest Money deposited by it will be forfeited and the acceptance of its EOI may be annulled at the discretion of OFD.

---

Signature of the Bidder

34. If the party, to whom the contract is finally awarded, fails to sign the Contract Agreement and/or fails to implement the same after signing the Agreement, OFD would be at liberty to award the contract to any other party as it may deem appropriate.
